

# NOW YOU'RE TALKING POWER

Do you want to become the best presenter you can possibly be? Then this course will totally **change your perception** of making presentations.

## Why attend Now You're Talking Power?

Imagine what it would be like to be able to create presence and give powerful presentations to anyone, anywhere, confident in the knowledge that your presentation was a masterpiece. Would having the charisma, poise and grace of the very best presenters and trainers be of value to you?

## What will you learn during this course?

- How to banish stage fright and any anxiety about presenting in public.
- How to build rapport with your audiences and structure your presentations so that they work best for all learning styles.
- How to use specific gestures and postures to increase your impact.
- How to handle difficult audiences and hecklers
- How to entertain an audience and add fun to your presentations.
- How to use metaphors anecdotes and analogies to really put your message across
- How to stand up and present at any time, any place, to any one because you have a format that works.

## How can you learn this?

In this totally different course you will get training in Neuro Linguistic Programming and how to use it in making presentations. This will give you a structured model to achieve excellence as a presenter. The course is a mixture of classroom learning and practical application.

## Who should attend Now You're Talking Power?

- Anyone who needs to make important presentations.
- Anyone who wants to present and hasn't yet got started.
- Everyone who wants to gain an insight into the application of NLP in presentations.

## So what if you attend Now You're Talking Power, what then?

Just imagine, you have just finished giving that most important presentation, and there you are receiving the praise and thanks for the best presentation your audience has ever seen. How will you feel?

**Powerful!**
